

Indemnity guide

Same day services

With our same day courier services, our indemnity cover up costs just £5 for the item value up to £1,000. To ensure that you take advantage of this additional cover, you must declare the cost of the items with our customer service team when booking, so please speak to a member of our team for more information.

International and UK overnight services

Indemnity cover is also available from just £15 on all international and UK Overnight consignments up to the value of £500. For these consignments the value of the item must be declared upon booking, so please contact our customer service team for more information.

Our dedicated customer service team is happy to help you with any questions about our indemnity cover or if you want to add cover to your booking.
